SUPPORT TO AN ENTREPRENEUR IN FURNITURE PRODUCTION - WOODMANIA

Support to Entrepreneurs, Micro and Small Enterprises

COMPLETED

The entrepreneur is engaged in the production of furniture and additional equipment for hotels, restaurants, cafes etc. The grant will be utilised to procure a horizontal grinder, machine for edge trimming and other equipment, which will enable the immediate creation of two and another four in the long term. The entrepreneur will be conducting corporate social responsibility activities related to environmental protection and education. In cooperation with the local youth organisation and kindergarten, 50 new trees will be planted as well as free trainings provided on CNC machine programming to five local students. In addition, donation of five dining tables is planned for socially vulnerable families.

PROVISION OF A BACK-UP SERVER FOR THE E-PERMITTING SYSTEM

E-permitting

COMPLETED

Improvement of the electronic system for the issuance of building permits through the provision of a back-up server, which will enhance its stability and availability for over 6,500 users that benefit from it every day. Server and network equipment were procured through the project, as well as necessary licences. The aim of this activity was to contribute to the creation of a more favourable business environment by improving the efficiency and transparency of the e-government and, ultimately, to new investments. At the same time, citizens' trust in institutions, as well as the quality of services that are being offered through the e-government will also be enhanced.
