### ABOUT THE PUBLIC CALL

The European Union (EU) through the EU PRO Programme allocated close to 2.5 million Euros to support entrepreneurs, micro and small enterprises through provision of equipment and services contributing to increasing production and market potential of business entities and job creation. To increase the positive social impact of their projects, entrepreneurs will design and implement corporate social responsibility (CSR) activities in their local communities.

\*Pursuant to the decision of the Program Steering Committee decision, 112 project proposals were proposed for funding within the available funds, while, in case of savings, additional six projects were approved for the reserve list. This document was revised on 27 August 2020 to reflect the changes caused by the withdrawal of a number of initially approved beneficiaries. In line with the criteria of the Public Call, the project proposals from the reserve list were approved for funding.
